

Stockholm and its dialogue with the business sector: information materials and guidance

Tonie Wickman, City of Stockholm

NonHazCity

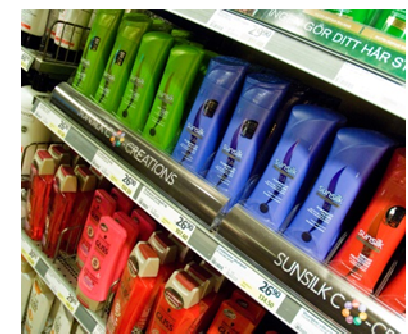

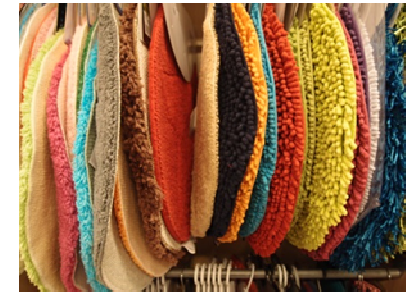

Aim

- Raise awareness
- Raise knowledge
- Motivate for actions

Trade companies

- Arrange seminars since 2010
- Focus on:
 - Legislation and supervision, ex: REACH and Article 33
 - A product group, ex electronics, textiles, food contact materials, cosmetics, toys...
 - Specific substances/substance groups, ex PFAS
 - How to track substances and follow up your purchase chain
 - Research on hazardous substances in consumer products
 - ...

Refurbishment/building companies

- Arrange seminars since 2016
 - Focus on:
 - Chemical requirements for construction materials and playgrounds, preschools,
 - Cost if not take the chemicals issues into account

Hairdressers

- Brochure and poster to inform and inspire
- Dialogue with hairdressers

Thank you!
